Dear Parents and Carers,

We are writing to let you know that, at a meeting with the Lycée Charles de Gaulle on Friday, they announced their intention to withdraw from our jointly run bilingual provision from the end of July 2026.

We understand that this news will be both surprising and unsettling for you and your children and we wish to reassure you that we are already working hard to fully understand the implications of this decision.

Our priority is always to the children and families that we serve. We are proud of the bilingual provision that we offer at Belleville Wix Academy. Our bilingual provision, along with our English provision, was assessed by Ofsted earlier this year where they concluded that 'there is sufficient evidence to suggest that the school would be judged outstanding in a 'graded' inspection.'

It is our intention to continue to offer a free bilingual provision to all children in the bilingual stream who are registered to BWA and any other interested families, who are either familiar with the provision or beyond.

We understand that you are likely to have many questions about this news, some of which we may not currently be able to answer. We ask for your patience and understanding as we navigate this situation, and we will be back in contact with you in January with a further update.

With thanks for your support,

Yours

Séana Henry
