

Belleville Wix Academy

30th June 2026

Dear Parents and Carers,

The existing bilingual provision, which consists of classes shared between Quality First Education (Q1E) - Belleville Wix Academy and Lycée Français Charles de Gaulle–Ecole de Wix, will come to an end at the conclusion of the 2026–2027 academic year.

From September 2027, both schools will nevertheless continue to work alongside one another on the Belleville Wix School site on Wix's Lane.

Both schools will continue to offer bilingual provision on these premises, in accordance with their respective operating models and within the terms of the Lease.

Details of the respective provisions will be shared by each school, providing families with the greatest possible clarity regarding their options from the 2027–2028 academic year onwards.

We are very sorry that this twenty year shared venture is coming to an end, but look forward to developing new opportunities for pupils from both schools to continue interacting in the future.

Yours,

John Grove
CEO
Quality First Education Trust

Catherine Bellus-Ferreira
Headmistress
Lycée français Charles de Gaulle
